NEW COUNCIL DOES NOT ELECT ALL OFFICIALS

Capt. John K. Hein the Choice to Succeed Councilman J. Frew as President.

POLICE FORCE THE SAME

C. W. Albright Chief, McEldowney and Osborne Patrolmen—Ira L. Nickeson, Clerk.

At the reorganization meeting of council last night, A. H. Furlong, one of the new councilmen recently elected, was sworn in, and took his seat, and the various councilmanic offices were filled. Capt. John K Hein was elected president of council, for the third time in the period of his nine years service as a member. Dr. A. O. Davis, the other member-elect, was out of town and will be sworn in at a later date.

After the old council had finished up its business, and upon motion of Councilman C. O. Frye, and W. H. Calvert, the body adjourned sine die. President Frew made a short speech, in which he noted the pleasant relation which had generally existed in the council during the past year. Burgess George W. Risbeck swore in Mr. Furlong, and Mr Frew conducted the election of a new president. Capt. J. K. Hein and C. O. Frye were nominated, and upon a vote being taken Capt. Hein secured four votes to Mr. Frye's two. In assuming the chair Capt. Hein made a brief speech, thanking the council for the honor, and asking that they work together during the coming year for the good of the borough.

The election of the borough clerk was taken up and Ira L. Nickeson, who has faithfully served the borough for several terms, was chosen. He

was the only applicant for the place. In a short address he thanked the council for the honor and said that he hoped he would prove worthy.

A committee consisting of O. C. Linn, A. H. Furlong and Charles Schmieler was appointed by the president to prepare a list of committees, and made the following report which was accepted: Real estate—Hein, Schmiler, Furlong. Streets, alleys and grades—Linn, Schmieler, Davis. Accounts and claims—Hein, Furlong, Davis. Fire, water and street lights—Furlong, Davis, Linn. Ordinance and printing—Calvert, Frye, Schmieler. Finance—Frye, Furlong, Calvert. Police and Lockup—Burgess Risbeck, Schmieler, Linn. Garbage—Davis, Hein, Calvert.

The election of the police for the borough was taken up, and C. W. Albright, the present chief, was the choice. He was the only applicant for the place. George McEldowney, and Alva Osborne, first and second patrolmen, respectively, were again elected. Other applicants were A. H. Sellers, Leo Pagan and J. N. Evans.

Council adjourned to meet next Monday night to elect the remainder of the officers, and at the invitation of the new president, J. K. Hein, went to Wagner's Ice Cream parlor, where they we treated to the best afforded there.

ATTORNEY SCHUYLER PRESENTS HIS BILL

Council Refuses to Recognize it and Payment is Refused.

SOME ACTION MAY FOLLOW

At the refusal of the Charleroi council to pay a bill of $50 claimed by Attorney George L. Schuyler as retainer fee for the past year, it is thought suit will be entered. The bill was presented to the old council last night, before it adjorned sine die, and was turned down. Borough Clerk Nickeson was instructed to return the bill to Mr. Schuyler with the statement that the borough did not owe him anything.

At the reorganization of council last year Mr. Schuyler was elected solicitor, through a secret ballot. Later it was brought out that his election, as well as all the other officials of the borough, had been unconstitutional and illegal, and a new election was held, with the result that D. M. McCloskey, Esq., was elected borough solicitor.

Mr. Schuyler protested against Mr. McCloskey's election at the time, but took no action. During the year he did no work whatever for the borough, but asks now that he be paid the usual retaining fee of $50.

ONLY TWO WEEKS AND FOUR DAYS IN WHICH TO WORK FOR PRIZES

This Week's Offer Better Than Any to Follow---Easy to Secure Subscriptions When Shears Are Offered Subscribers.

By V. H. Austin.

The candidates are planning to make this the successful week of the campaign. They realize how easy it will be to secure subscriptions this week, while the special offer of shears is to be given with each Three Dollar subscription. Make this the big week.

The bonus vote this week has been shaved off a bit, but it is larger than any to follow, so it will pay you to do your best. Don't wait thinking that there will be a big offer for the last week, for there will be nothing but the main issue to work for. Get your votes while you have the chance to get in on the extra offers.

Effort will pay you, and it will take a great deal of effort to win the brand new Reo Automobile for Easter.

The time is getting short, and you will have to work all the harder if you expect the judges to count you in for one of the prizes on March 26. Two weeks and four days after today in the contest. Not a very long time to work, but you will have to make the time count.

NORTH CHARLEROI COUNCIL SELECTS YEAR'S COMMITTEES

Jasper Rockwell Elected President at Organization Meeting.

The new North Charleroi council organized last night, following a business meeting of the old council, by electing Jasper Rockwell president and James W. Haggerty secretary. The new members of council, John I. Cope, and David Shaffer, were sworn in by Burgess Jonas Gee.

The committee recommended by a special committee consisting of Samuel Gaskill, John I. Cope and Tom P. Sloan went through as follows: Accounts and claims—Herman Nebulung, Jasper Rockwell, Charles Jacobs. Finance—T. P. Sloan, John Cope, Samuel Gaskill. Fire, water, street, lights and sidewalks—Cope, Jacobs, Rockwell. Police and lockup—Jacobs, Shaffer, Gee. Real estate—Gaskill, Nebulung, Cope. Streets, alleys and grade—Sloan, Nebulung, Gaskill. An ordinance authorizing the laying, building and maintaining of public sewers and branches on Center avenue, Sixth street, Fifth street and Lock street, was passed third and final reading. Bills to the amount of $61 41 were ordered paid. Burgess Gee notified council that his office hours would be from 7 to 7:30 every week day evening and 8:30 Sunday morning. Treasurer S. W. BREWERY AGENTS MUST ANSWER TO SERIOUS CHARGES

County Detective McCleary Makes Information—Chief Albright Working up Case.

C. C. Battaglini and Fabrie Baffaello both of Dunlevy, have given bond of $500 each before Justice of the Peace Wilson for their appearance on Thursday afternoon on a charge of illegal liquor selling. Chief of Police Albright has a warrant forAugust Bertolotti and expects to land him soon. The information was made by County Detective McCleary, although Chief Albright worked up the case. District Attorney C. L. V. Acheson will in all probability attend the hearing.

From what is alleged by the informant Bertolotti took orders for beer in Charleroi for the Jeannette Brewery. The beer was shipped to Battaylini, who in turn sent it out by Baffaello in a wagon, bearing the license number of the Brewery written in chalk. Bertolotti would ride alongside the wagon on horseback, and instruct the driver where the beer went.

It is said there is strong evidence against the men.

Vulcan on Local Waters.

The new steamer Vulcan of the Jones and Laughlin company made its appearance on the local waters yesterday having been finished on Saturday. The boat is the re-constructed Vucian which has been put in the best of condition, with the most up-to-date improvements both in construction and equipment.

WELL KNOWN BOTTLE BLOWER KILLED BY PASSENGER TRAIN

C. W. ALBRIGHT
Re-elected Chief of Police for Fifth Successive Time

William Brackin Ground to Death Under Wheels of Engine.

HEAD SEVERED FROM BODY

Parts of Mangled Remains Strewed Along Tracks for Distance of 100 Yards.

The body of William Brackin, 32 years old, who was killed at Eighth street supposedly last night by the 6:27 passenger tain, south, was identified this mornintg by the man's father, William Brackin, Sr., of Pittsburg. The body was taken home this afternoon on the 3:28 train. Coroner J. T. Heffran will hold an inquest on Thur-day evening, at the undertaking rooms of Correll and Crowley.

Brackin was a bottle blower. It is supposed that he was crossing the tracks at Eighth street when he became confused by a freight train and stepped in front of the fast on-coming passenger train. As far as can be learned no one witnessed the accident.

The remains were discovered, it is stated, by a brakeman on a freight train, who telephoned to Deputy Coroner M. T. Crowley. The latter went to the scene of the accident, and scoured the body. The remains were scattered along the tracks for nearly a hundred yards. The man's head had been severed from the body, one arm was off, and one foot had been severed, one shoulder and the chest were crushed. The fingers of one of the hands and a thumb were cut from the hand, and were not found until this morning. It is supposed that death had been instantaneous.

Brackin was married and had a wife living in Pittsburg. He had a card in the Chicago Local No. 81 of the Glass Bottle Blowers' Association. It is likely that the Pittsburg local will have charge of the funeral.

LICENSE ORDINANCE IS FINALLY PASSED

Yearly Business Finished up to March 1 Before Adjournment.

REPORTS ARE ACCEPTED

The old council last night before adjourning sine die, finished up as near as possible their yearly business. One of the most important things taken up was the new license ordinance. This has passed one reading and was brought up for second and third last night. The ordinance regulates the licensing of vehicles, theatres, slot machines and various other things. On petition of R. S. Coyle, who appeared before council, the license on his theatre was cut down to the same amount as that for the other theatres, $75 a year.

President Frew was in the chair and members present were: Councilmen C. O. Frye, J. K. Hein, Oscar Linn, W. H. Calvert and Charles Schmeiler.

The report of Treasurer R. H. Rush for the month ending January 31 was read and accepted, as follows:

Balance from last report	$ 472.54
Receipts for month	2,439.70
Total	$2.912.24
Disbursements	2,075.48
Balance in treasury	$ 836.76

Burgess' report was read and accepted. During February 43 arrests were made and $55.45 in fines assessed, of which $48.95 was paid, the rest being served. Tax Collector's Mathias reported that he had paid over to the treasurer during February $172.68. Bills to the extent of about $704 were paid.

Chairman Frew of the street committe said that needed repairs on Lincoln avenue had not been attended to. The street committee was instructed to have repairs made on McKean avenue, at the juncture of Charleroi and North Charleroi boroughs, where there is an abrupt drop from the paving on the North Charleroi side to the Charleroi side.

Dr. T. M. Faddis presented a bill of $10 for professional services on Thomas Cratty, who was taken to the lockup, after he had received a broken leg at the Monier Hotel bar. The doubt one of the cleverest exponents of equilibrium ever seen in Charleroi. There is not a dull spot on the bill bill was placed in the accounts and claims committee's hands for investigation. In bringing the meeting to a close a report of work done during the past year by Street Commissioner Hormell was read, but it not being the final report no action was taken on it. All unfinished business was carried over for the next council, and then on motion of Councilman Fry and Calvert the old council passed into history, adjourning sine die.

Asks for New Trial.

In the suit of Theron S. Provance against W. E. Jackman the plaintiff by his attorney D. M. McCloskey has filed a motion for a new trial. These reasons are given: That the court erred in sending the defendant's exhibits to the jury after objection by the plaintiff's attorney; that the court erred in failing and refusing to send to the jury the defendant's affidavit of defense and that the jury was improperly and unduly prejudiced by the remarks of counsel, the remarks of the stenographer and of the court relative to the testimony as to the alleged admissions of the defendant and the measure of damage.

Notice to the Public

According to our court's ruling, we have discontinued solicitors. All persons wishing beer, will call at the Charleroi Brewery, or send order and money by mail, and the order will be promptly delivered.

The Mills of the Gods.

The affirmation by the Supreme Court of the sentences of the State Capitol graft cases is the final vindication of the efforts of the State administration to bring to punishment the principals in the collossal steal that characterized the construction of the new State building. By the terms of the final decree former Auditor General William P. Snyder and former Superintendent of Public Grounds James M. Shumaker must go to prison each for two years. Two other principals in the transaction received similar sentences, but these have since died. These were former State Treasure William L. Matheus, and John H. Sanderson, who had the contract for the furniture for the Capitol.

It is said that the mills of the Gods grind slowly. but they grind exceedingly small. It is so in this case. The State administration has been charged with attempting to delay proceedings and to prevent the final carrying out of the sentences imposed upon these men. Governor Stuart's sincerity was doubted, when he stated that everything would be done to bring the principals in the Capitol graft cases to justice. Others believed that more powerful influences would override the Governer's authority and circumvent justice, but nothing of the sort has occurred. No more delay has been encountered in these cases than in that of an individual who carries a case to the court of last resort and interposes all possible obstacles and delays that the law permits against carrying out the sentences of the lower court.

The final decree of the Supreme Court is a splendid triumph for Governor Stuart and the State administration, as well as for the ends of justice. It demonstrates that reforms are possible within the ranks of the Republican party, and it will cement the principals of Republicanism all the more strongly within the Keystone State.

Acted Wisely.

In re-electing the chief of police and his entire force for another year, as well as again selecting the borough clerk to serve the public, who is thoroughly familiar with every detail of public business, council acted wisely and well. The spirit of harmony that existed at the organization of the new body augurs well for a successful administration during the coming year.

In view of existing conditions and the unprecedented era of high prices, it is not probable that any extra public work will be attempted this year. There are always enough immediate demands to tax present resources, and these will be looked after sharply, and in the interests of the taxpayers. At the same time council has within its power to perform many acts of public benefit which it will no doubt do to the best interest of all concerned. With growing public demands greatly in excess of available taxable resources, the natural policy for the present is one of retrenchment. That the present council will pursue this policy with the least possible detriment to the public is a foregone conclusion. The people have faith in the officials it has chosen to administer their public affairs.

Good to His People.

In making scientific researches along the lines of practical subjects that directly help the people Uncle Sam is performing a work that will be of infinite benefit. In the light of experience it is demonstrated that there is a right and a wrong way for doing everything, no matter how unimportant, and those who do these things rightly from the very start are the ones who profit the most and attain the greatest results from their efforts. This is Uncle Sam's mission in the researches he is conducting through his special agents in the realms of physical science and material achievement. Uncle Sam is good to his people.

While much of this information is disbursed free of charge, other special information is printed in books and pamphlets and sold at practically cost to the people. These are of inestimable value, and are available to any one who may desire to purchase them. A catalogue will be forwarded to any address, and the works mailed on receipt of price. The local postmaster can give further information and it is worth every farmer's and householder's time to look into this matter. They will save money by so doing.

EXTRA FINE SHOW AT COYLE THEATRE

The bill of vaudeville that is being offered at the Coyle Theatre the first half of this week is an excellent one as was evinced by the hearty applause which was liberally bestowed on each act.

M'lle Mable's dogs and monkeys are something out of the ordinary in animal acts. The dogs do every kind of trick known to canine intelligence while Mack, the big monkey, kept the house in a continual uproar of laughter by his bicycle riding, and was ably assisted by the funny antics of numerous other little monkeys.

Johnson Bros. and Johnson in minstrelsy pleased with brand new jokes, good singing and clever dancing. Those winsome little dancers, the Wallace Sisters, scored heavily with dainty dances and bright new songs, being away above the ordinary.

The bright particular spot in the bill is the offering of King and Mason in their funny traversty on baseball. Mr. King's extemporaneous singing being especailly good, while Miss Mason, with her charming personality would make any sort of an act go. and taken as a whole it is one of the most pleasing vaudeville shows ever seen in this city.

OLD FACES MADE YOUNG

Simple Explanation of what Sounds Like a Miracle.

Did you ever wonder why one part of the skin should grow old before another? It seems to do so in the case of the face, neck and hands. Exposure to the weather really means exposure to various forms of uncleanliness. Even the constant use of water, which carries all sorts of material in solution, together with soaps that deposit dead fats in the pores, soon choke the countless sweat ducts and the skin grows harsh, sallow and wasted.

For such skins, Crown Cream should be used at once, together with the Harlan Beauty Cup. Crown Cream acts first by cleaning the pores and ridding the surface of dead skin matter. Then it changes blotches to healthy tissue, and acts instantly upon every form of blemish. The Beauty Cup, at the same time, quickens the action of the Crown Cream and massages the skin to its lowest layer. It does this through a vacuum system, which cannot hurt the most delicate tissues and thus is greatly superior to any hand manipulation of the skin.

Crown Cream can be had of all dealers in toilet goods for 50c. a jar, and this is the price of the Beauty Cup as well. W. F. Hennings' Drug Store, corner Fifth and McKean, Charleroi, Pa.

To The Public.

We desire to say that when we took the agency for ZEMO, it was after a thorough investigation as to the merit and curative properties of this remedy for eczema, pimples and dandruff. We frankly admit ZEMO has far exceeded my expectations as a cure for skin disease. We are pleased to state that we shall continue the agency as ZEMO gives the best satisfaction of any similar remedy we have ever sold. My customers like ZEMO because it is a clean, vegetable liquid for external use. ZEMO cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clean and healthy. It does not soil the clothing or linens and can be used freely on infants.

We will give a booklet on skin disease and explain to any person how they can be cured at home of an form of skin or scalp disease by this clean scientific preparation. Piper Bros.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

De Forest, Wis.—"After an operation four years ago I had pains downward in both sides, backache, and a weakness. The doctor wanted me to have another operation. I took Lydia E. Pinkham's Vegetable Compound and I am entirely cured of my troubles."—Mrs. AUGUSTE VESPERMANN, De Forest, Wisconsin.

Another Operation Avoided.

New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PEYROUX, 1111 Kerlerec St., New Orleans, La.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

If you want special advice about your case write to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

WHY SALVES FAIL TO CURE ECZEMA

They Clog the Pores—Only a Liquid Can Reach the Inner Skin.

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and can not penetrate to the inner skin below the epidermis where the eczema germs are lodged.

This—the quality of penetrating—probably explains the tremendous success of the only standard liquid eczema cure, oil of wintergreen as compounded in D. D. D. Prescription. After ten years of cure after cure, the world's leading skin specialists have accepted this as the true eczema cure.

We ourselves do not hesitate to recommend D. D. D. Prescription at $1.00 a bottle, but for the benefit of those who have never tried the prescription, we have arranged with the D. D. D. Laboratories of Chicago for a special large trial bottle at 25 cents on a special offer now. This first bottle ought to convince every sufferer, and, at any rate, it will surely take away the itch at once.

NEW COUNCIL DOES NOT ELECT ALL OFFICIALS

Capt. John K. Hein the Choice to Succeed Councilman J. Frew as President.

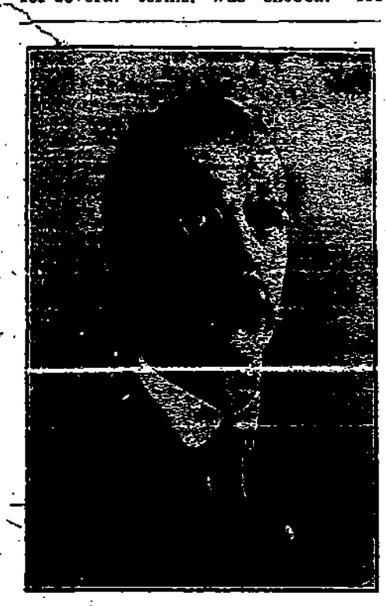
POLICE FORCE THE SAME

C. W. Albright Chief, McEldowney and Osborne Patrolmen—Ira L. Nickeson, Clerk.

At the reorganization meeting of council last night, A. H. Furlong, one of the new councilmen recently elected, was sworn in, and took his seat, and the various councilmanic offices were filled. Capt. John K. Hein was elected president of council, for the third time in the period of his nine years service as a member. Dr. A. O. Davis, the other member-elect, was out of town and will be sworn in at a later date.

After the old council had finished up its business, and upon motion of Councilman C. O. Frye, and W. H. Calvert, the body adjourned sine die. President Frew made a short speech, in which he noted the pleasant relation which had generally existed in the council during the past year. Burgess George W. Risbeck swore in Mr. Furlong, and Mr. Frew conducted the election of a new president. Capt. J. K. Hein and C. O. Frye were nominated, and upon a vote being taken Capt. Hein secured four votes to Mr. Frye's two. In assuming the chair Capt. Hein made a brief speech, thanking the council for the honor, and asking that they work together during the coming year for the good of the borough.

The election of the borough clerk was taken up and Ira L. Nickeson, who has faithfully served the borough for several terms, was chosen. He



CAPT. JOHN K. HEIN
Elected to Third Term as President of Charleroi Council

was the only applicant for the place. In a short address he thanked the council for the honor and said that he hoped he would prove worthy.

A committee consisting of O. C. Linn, A. H. Furlong and Charles Schmieler was appointed by the president to prepare a list of committees, and made the following report which was accepted: Real estate—Hein, Schmieler, Furlong. Streets, alleys and grades—Linn, Schmieler, Davis. Accounts and claims—Hein, Furlong, Davis. Fire, water and street lights—Furlong, Davis, Linn. Ordinance and printing—Calvert, Frye, Schmieler. Finance—Frye, Furlong, Calvert. Police and Lockup—Burgess Risbeck, Schmieler, Linn. Garbage—Davis, Hein, Calvert.

The election of the police for the borough was taken up, and C. W. Albright, the present chief, was the choice. He was the only applicant for the place. George McEldowney, and Alva Osborne, first and second patrolmen, respectively, were again elected. Other applicants were A. H. Sellers, Leo Pagan and J. N. Evans.

Council adjourned to meet next Monday night to elect the remainder of the officers, and at the invitation of the new president, J. K. Hein, went to Wagner's Ice Cream parlor, where they we treated to the best afforded there.

ATTORNEY SCHUYLER PRESENTS HIS BILL

Council Refuses to Recognize it and Payment is Refused.

SOME ACTION MAY FOLLOW

At the refusal of the Charleroi council to pay a bill of $50 claimed by Attorney George L. Schuyler as retainer fee for the past year, it is thought suit will be entered. The bill was presented to the old council last night, before it adjorned sine die, and was turned down. Borough Clerk Nickeson was instructed to return the bill to Mr. Schuyler with the statement that the borough did not owe him anything.

At the reorganization of council last year Mr. Schuyler was elected solicitor, through a secret ballot. Later it was brought out that his election, as well as all the other officials of the borough, had been unconstitutional and illegal, and a new election was held, with the result that D. M. McCloskey, Esq., was elected borough solicitor.

Mr. Schuyler protested against Mr. McCloskey's election at the time, but took no action. During the year he did no work whatever for the borough, but asks now that he be paid the usual retaining fee of $50.

ONLY TWO WEEKS AND FOUR DAYS IN WHICH TO WORK FOR PRIZES

This Week's Offer Better Than Any to Follow—Easy to Secure Subscriptions When Shears Are Offered Subscribers.

By V. H. Austin.

The candidates are planning to make this the successful week of the campaign. They realize how easy it will be to secure subscriptions this week, while the special offer of shears is to be given with each Three Dollar subscription. Make this the big week.

The bonus vote this week has been shaved off a bit, but it is larger than any to follow, so it will pay you to do your best. Don't wait thinking that there will be a big offer for the last week, for there will be nothing but the main issue to work for. Get your votes while you have the chance to get in on the extra offers.

Effort will pay you, and it will take a great deal of effort to win the brand new Reo Automobile for Easter.

The time is getting short, and you will have to work all the harder if you expect the judges to count you in for one of the prizes on March 26. Two weeks and four days after today in the contest. Not a very long time to work, but you will have to make the time count.

NORTH CHARLEROI COUNCIL SELECTS YEAR'S COMMITTEES

Jasper Rockwell Elected President at Organization Meeting.

The new North Charleroi council organized last night, following a business meeting of the old council, by electing Jasper Rockwell president and James W. Haggerty secretary. The new members of council, John I. Cope, and David Shaffer, were sworn in by Burgess Jonas Gee.

The committee recommended by a special committee consisting of Samuel Gaskill, John I. Cope and Tom P. Sloan went through as follows: Accounts and claims—Herman Nebulung, Jasper Rockwell, Charles Jacobs. Finance—T. P. Sloan, John Cope, Samuel Gaskill. Fire, water, street, lights and sidewalks—Cope, Jacobs, Rockwell. Police and lockup—Jacobs, Shaffer, Gee. Real estate—Gaskill, Nebulung, Cope. Streets, alleys and grade—Sloan, Nebulung, Gaskill. Orinance and printing—Rockwell, Sloan, Nebulung. No other officers were elected.

The old council before adjourning sine die, finished up their business. The treasurer's report was accepted as follows:

An ordinance authorizing the laying, building and maintaining of public sewers and branches on Center avenue, Sixth street, Fifth street and Lock street, was passed third and final reading. Bills to the amount of $61.41 were ordered paid. Burgess Gee notified council that his office hours would be from 7 to 7:30 every week day evening and 8:30 Sunday morning. Treaurer S. W. Sharpnack proposed a comission of 1 per cent on all money paid as expenses.

BREWERY AGENTS MUST ANSWER TO SERIOUS CHARGES

County Detective McCleary Makes Information—Chief Albright Working up Case.

C. C. Battaglini and Fabrie Baffaello both of Donlevy, have given bond of $500 each before Justice of the Peace Wilson for their appearance on Thursday afternoon on a charge of illegal liquor selling. Chief of Police Albright has a warrant forAugust Bertolotti and expects to land him soon. The information was made by County Detective McCleary, although Chief Albright worked up the case. District Attorney C. L. V. Acheson will in all probability attend the hearing.

From what is alleged by the informant Bertolotti took orders for beer in Charleroi for the Jeannette Brewery. The beer was shipped to Battaylini, who in turn sent it out by Baffaello in a wagon, bearing the license number of the Brewery written in chalk. Bertolotti would ride alongside the wagon on horseback, and instruct the driver where the beer went.

It is said there is strong evidence against the men.

Vulcan on Local Waters.

The new steamer Vulcan of the Jones and Laughlin company made its appearance on the local waters yesterday having been finished on Saturday. The boat is the re-constructed Vuclan which has been put in the best of condition, with the most up-to-date improvements both in construction and equipment.

WELL KNOWN BOTTLE BLOWER KILLED BY PASSENGER TRAIN

C. W. ALBRIGHT
Re-elected Chief of Police for Fifth Successive Time

William Brackin Ground to Death Under Wheels of Engine.

HEAD SEVERED FROM BODY

Parts of Mangled Remains Strewed Along Tracks for Distance of 100 Yards.

The body of William Brackin, 32 years old, who was killed at Eighth street supposedly last night by the 6:27 passenger tain, south, was identified this mornintg by the man's father, William Brackin, Sr., of Pittsburg. The body was taken home this afternoon on the 3:28 train. Coroner J. T. Heffran will hold an inquest on Thursday evening, at the undertaking rooms of Correll and Crowley.

Brackin was a bottle blower. It is supposed that he was crossing the tracks at Eighth street when he became confused by a freight train and stepped in front of the fast on-coming passenger train. As far as can be learned no one witnessed the accident.

The remains were discovered, it is stated, by a brakeman on a freight train, who telephoned to Deputy Coroner M. T. Crowley. The latter went to the scene of the accident, and scoured the body. The remains were scattered along the tracks for nearly a hundred yards. The man's head had been severed from the body, one arm was off, and one foot had been severed, one shoulder and the chest were crushed. The fingers of one of the hands and a thumb were cut from the hand, and were not found until this morning. It is supposed that death had been instantaneous.

Brackin was married and had a wife living in Pittsburg. He had a card in the Chicago Local No. 81 of the Glass Bottle Blowers' Association. It is likely that the Pittsburg local will have charge of the funeral.

LICENSE ORDINANCE IS FINALLY PASSED

Yearly Business Finished up to March 1 Before Adjournment.

REPORTS ARE ACCEPTED

The old council last night before adjourning sine die, finished up as near as possible their yearly business. One of the most important things taken up was the new license ordinance. This has passed one reading and was brought up for second and third last night. The ordinance regulates the licensing of vehicles, theatres, slot machines and various other things. On petition of R. S. Coyle, who appeared before council, the license on his theatre was cut down to the same amount as that for the other theatres, $75 a year.

President Frew was in the chair and members present were: Councilmen C. O. Frye, J. K. Hein, Oscar Linn, W. H. Calvert and Charles Schmeiler.

The report of Treasurer R. H. Rush for the month ending January 31 was read and accepted, as follows:

Balance from last report	$ 472.54
Receipts for month	2,439.70
Total	$2.912.24
Disbursements	2,075.48
Balance in treasury	$ 836.76

Burgess' report was read and accepted. During February 43 arrests were made and $55.45 in fines assessed, of which $48.95 was paid, the rest being served. Tax Collector's Mathias reported that he had paid over to the treasurer during February $172.68. Bills to the extent of about $704 were paid.

Chairman Frew of the street committe said that needed repairs on Lincoln avenue had not been attended to. The street committee was instructed to have repairs made on McKean avenue, at the juncture of Charleroi and North Charleroi boroughs, where there is an abrupt drop from the paving on the North Charleroi side to the Charleroi side.

Dr. T. M. Faddis prasented a bill of $10 for professional services on Thomas Cratty, who was taken to the lockup, after he had received a broken leg at the Monier Hotel bar. The doubt one of the cleverest exponents of equilibrium ever seen in Charleroi.

There is not a dull spot on the bill

bill was placed in the accounts and claims committee's hands for investigation. In bringing the meeting to a close a report of work done during the past year by Street Commissioner Hormell was read, but it not being the final report no action was taken on it. All unfinished business was carried over for the next council, and then on motion of Councilman Fry and Calvert the old council passed into history, adjourning sine die.

Asks for New Trial.

In the suit of Theron S. Provance against W. E. Jackman the plaintiff by his attorney D. M. McCloskey has filed a motion for a new trial. These reasons are given: That the court erred in sending the defendant's exhibits to the jury after objection by the plaintiff's attorney; that the court erred in failing and refusing to send to the jury the defendant's affidavit of defense and that the jury was improperly and unduly prejudiced by the remarks of counsel, the remarks of the stenographer and of the court relative to the testimony as to the alleged admissions of the defendant and the measure of damage.

Notice to the Public

According to our court's ruling we have discontinued solicitors. All persons wishing beer, will call at the Charleroi Brewery, or send order and money by mail, and the order will be promptly delivered.

The Mills of the Gods.

The affirmation by the Supreme Court of the sentences of the State Capitol graft cases is the final vindication of the efforts of the State administration to bring to punishment the principals in the colossal steal that characterized the construction of the new State building. By the terms of the final decree former Auditor General William P. Snyder and former Superintendent of Public Grounds James M. Shumaker must go to prison each for two years. Two other principals in the transaction received similar sentences, but these have since died. These were former State Treasure William L. Matheus, and John H. Sanderson, who had the contract for the furniture for the Capitol.

It is said that the mills of the Gods grind slowly, but they grind exceedingly small. It is so in this case. The State administration has been charged with attempting to delay proceedings and to prevent the final carrying out of the sentences imposed upon these men. Governor Stuart's sincerity was doubted, when he stated that everything would be done to bring the principals in the Capitol graft cases to justice. Others believed that more powerful influences would override the Governor's authority and circumvent justice, but nothing of the sort has occurred. No more delay has been encountered in these cases than in that of an individual who carries a case to the court of last resort and interposes all possible obstacles and delays that the law permits against carrying out the sentences of the lower court.

The final decree of the Supreme Court is a splendid triumph for Governor Stuart and the State administration, as well as for the ends of justice. It demonstrates that reforms are possible within the ranks of the Republican party, and it will cement the principals of Republicanism all the more strongly within the Keystone State.

Acted Wisely.

In re-electing the chief of police and his entire force for another year, as well as again selecting the borough clerk to serve the public, who is thoroughly familiar with every detail of public business, council acted wisely and well. The spirit of harmony that existed at the organization of the new body augurs well for a successful administration during the coming year.

In view of existing conditions and the unprecedented era of high prices, it is not probable that any extra public work will be attempted this year. There are always enough immediate demands to tax present resources, and these will be looked after sharply, and in the interests of the taxpayers. At the same time council has within its power to perform many acts of public benefit which it will no doubt do to the best interest of all concerned. With growing public demands greatly in excess of available taxable resources, the natural policy for the present is one of retrenchment. That the present council will pursue this policy with the least possible detriment to the public is a foregone conclusion. The people have faith in the officials it has chosen to administer their public affairs.

Good to His People.

In making scientific researches along the lines of practical subjects that directly help the people Uncle Sam is performing a work that will be of infinite benefit. In the light of experience it is demonstrated that there is a right and a wrong way for doing everything, no matter how unimportant, and those who do these things rightly from the very start are the ones who profit the most and attain the greatest results from their efforts. This is Uncle Sam's mission in the researches he is conducting through his special agents in the realms of physical science and material achievement. Uncle Sam is good to his people.

While much of this information is disbursed free of charge, other special information is printed in books and pamphlets and sold at practically cost to the people. These are of inestimable value, and are available to any one who may desire to purchase them. A catalogue will be forwarded to any address, and the works mailed on receipt of price. The local postmaster can give further information and it is worth every farmer's and householder's time to look into this matter. They will save money by so doing.

ELECTRIC SPARKS

It is a good idea to pay as you go providing you don't go too often.

One advantage of being a poor man is that after he's dead no person will take the trouble to dig up his body to learn if he was poisoned for his money.

Eva Tanguay will have a gay time singing "I Don't Care" if she is found guilty of stabbing a bell boy with a hatpin, a charge upon which she has been arrested.

One woman who seems to be showing sense, even after she married a prince, is the former Miss Anita Stewart, who refuses to produce the cash to satisfy the prince's pre-nupital debts.

Old Boreas, King Winter, and the other fellows who were originally supposed to have charge of the storms and associate evils, seem to have it in for us this year, from the kind of weather we are getting.

Apparently it is a difficult matter to run a newspaper up in New Castle. Six or eight have been arrested for various offenses. However, that is no indication that New Castle has anything to boast of.

After the kangaroo walk, and various other animal fashions have come and gone, the fashion manufactures discover that there is still one to draw upon, the lonely rooster. Accordingly they are making the poor fowl guilty of many misdeeds.

"Billy" Sunday is at Danville, Ill, the home of Uncle Joe Cannon, now converting the town. It's a pity the speaker cannot be at home so that he could take lessons from the baseball evangelist.

An exchange remarks that although President Taft has been in office a year, the people know very little about him. Many people are fully aware of his ability to face the longest menu, without a tremor, however.

Burgess Bedsworth of Belle Vernon Signs Ordinance

Work Will be Started at Once on New Station Across River.

Burgess Bedsworth of Belle Vernon this morning signed the ordinance passed recently by the council of that borough granting the P. and L. E. railroad certain rights, for the erection of a new $14,000 station. A representative of the railroad was present and was given a certified copy of the ordinance. He stated that work will be begun at once on the new station.

EXTRA FINE SHOW AT COYLE THEATRE

The bill of vaudeville that is being offered at the Coyle Theatre the first half of this week is an excellent one as was evinced by the hearty applause which was liberally bestowed on each act.

M'lle Mable's dogs and monkeys are something out of the ordinary in animal acts. The dogs do every kind of trick known to canine intelligence while Mack, the big monkey, kept the house in a continual uproar of laughter by his bicycle riding, and was ably assisted by the funny antics of numerous other little monkeys.

Johnson Bros. and Johnson in minstrelsy pleased with brand new jokes, good singing and clever dancing. Those winsome little dancers, the Wallace Sisters, scored heavily with dainty dances and bright new songs, being away above the ordinary.

The bright particular spot in the bill is the offering of King and Mason in their funny traversty on baseball. Mr. King's extemporaneous singing being especailly good, while Miss Mason, with her charming personality would make any sort of an act go. and taken as a whole it is one of the most pleasing vaudeville shows ever seen in this city.

Matinees daily at 2:30. Evenings at 7:30 and 9 p. m. with an entire change of program commencing next Thursday matinee.

W. and J. Glee Club May Come

Boys' Brigade Will Meet Tonight to Take up Matter Finally.

The Charleroi Boys' Brigade will hold a meeting tonight, at which time they expect to take up the matter of securing the Washington and Jefferson College Glee club for a concert in the near future. It is thought that suitable arrangements can be made for having them come here. It is understood that the glee club would be glad to make the trip to Charleroi.

Must Post Names.

Chief of Mines Roderick has sent instructions to the various Inspectors throughout the State, in both the anthracite and bituminous regions, calling their gattention to the provisions of the act of May 1, 1909. This act provides that a complete list of all the minor employes of all miners must be posted in a conspicuous place, and were they can be seen by all those interested.

Harshman.

Word has just been received in Charleroi of the death in Los Angeles, California, of Mrs. J. S. Harshman, 55 years old a former resident of this place, on February 22. The funeral was held on February 24, interment being in the Englewood Park cemetery, Los Angeles. Mrs. Harshman moved with her husband to California in 1900 from Charleroi. Besides the husband four sons and one daughter survive.

OLD FACES MADE YOUNG

Simple Explanation of what Sounds Like a Miracle.

Did you ever wonder why one part of the skin should grow old before another? It seems to do so in the case of the face, neck and hands. Exposure to the weather really means exposure to various forms of uncleanliness. Even the constant use of water, which carries all sorts of material in solution, together with soaps that deposit dead fats in the pores, soon choke the countless sweat ducts and the skin grows harsh, sallow and wasted.

For such skins, Crown Cream should be used at once, together with the Harlan Beauty Cup. Crown Cream acts first by cleaning the pores and ridding the surface of dead skin matter. Then it changes blotches to healthy tissue, and acts instantly upon every form of blemish. The Beauty Cup, at the same time, quickens the action of the Crown Cream and massages the skin to its lowest layer. It does this through a vacuum system, which cannot hurt the most delicate tissues and thus is greatly superior to any hand manipulation of the skin.

Crown Cream can be had of all dealers in toilet goods for 50c. a jar, and this is the price of the Beauty Cup as well. W. F. Hennings' Drug Store, corner Fifth and McKean, Charleroi, Pa.

To The Public.

We desire to say that when we took the agency for ZEMO, it was after a thorough investigation as to the merit and curative properties of this remedy for eczema, pimples and dandruff. We frankly admit ZEMO has far exceeded my expectations as a cure for skin disease. We are pleased to state that we shall continue the agency as ZEMO gives the best satisfaction of any similar remedy we have ever sold. My customers like ZEMO because it is a clean, vegetable liquid for external use. ZEMO cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clean and healthy. It does not soil the clothing or linens and can be used freely on infants.

We will give a booklet on skin disease and explain to any person how they can be cured at home of an form of skin or scalp disease by this clean scientific preparation. Piper Bros.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

De Forest, Wis.—"After an operation four years ago I had pains downward in both sides, backache, and a weakness. The doctor wanted me to have another operation. I took Lydia E. Pinkham's Vegetable Compound and I am entirely cured of my troubles."—Mrs. AUGUSTE VESPERMANN, De Forest, Wisconsin.

Another Operation Avoided.

New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PEYROUX, 1111 Kerlerec St., New Orleans, La.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

If you want special advice about your case write to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

WHY SALVES FAIL TO CURE ECZEMA

They Clog the Pores—Only a Liquid Can Reach the Inner Skin.

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and can not penetrate to the inner skin below the epidermis where the eczema germs are lodged.

This—the quality of penetrating—probably explains the tremendous success of the only standard liquid eczema cure, oil of wintergreen as compounded in D. D. D. Prescription. After ten years of cure after cure, the world's leading skin specialists have accepted this as the true eczema cure.

We ourselves do not hesitate to recommend D. D. D. Prescription at $1.00 a bottle, but for the benefit of those who have never tried the prescription, we have arranged with the D. D. D. Laboratories of Chicago for a special large trial bottle at 25 cents on a special offer now. This first bottle ought to convince every sufferer, and, at any rate, it will surely take away the itch at once.

"Just Right"

Is the Shoe Without the Hurt

L. Collins

521 Fallowfield Ave., Charleroi.

You Are the Man We Want to Shoe

Some Men, who don't know, have an idea that all shoes are alike. They think that when they pay $3.00, $3 50 or $4.00 for a pair of shoes, that it doesn't make much difference where they buy them, but a shoe is a shoe and that's all there is to it.

These Men Are Mistaken

It's true that all shoe prices sound about the same, but there is as much difference in the shoes as there is in the men who wear them.

Our Men's Shoes are the choice products of

Into this inhaler you pour a few drops of magical Hyomei.

This is absorbed by the antiseptic gauze within and now you are ready to breathe it in over the germ infested membrane where it will speedily begin its work of killing catarrh germs. Hyomei is made of Australian eucalyptol combined with other antiseptics and is very pleasant to breathe.

It is guaranteed to cure catarrh, bronchitis, sore throat, croup, coughs and colds or money back. It cleans out a stuffed up head in two minutes.
